

SURFMOOT 2010

ACTIVITIES EXPRESSION OF INTEREST (EoI) INFORMATION

Every year there is always something to do at Surfmoot, day or night at Eumeralla or down at the beach at Anglesea.

Running an activity is a great way to promote your region, sub-committee or upcoming event, especially if the activity ties in well with what you are wanting to promote-eg Billy Carts/Super Tubs bought to you by Mudbash!

It could also be a new way to run a fundraiser for your crew.

HOW TO APPLY

- Let the committee know (email: activities@surfmoot.com or contact the Activities Co-ordinator- Hayley Gardoll 0408 227 121) with what activity you would like to run by the **13th November 2009**.
- Attend the **November** meeting on the **15th (7:45pm @ Rover HQ, Highland Ave, Mt Waverley)** and bring along a completed copy of the coversheet, a proposal/outline of your activity & any relevant documentation.

REQUIREMENTS:

- All EoI's must be presented on **Wednesday 18th November, 2009**, for judging of who is successful.
- All activities must provide as much of the equipment required to run their activity as possible, at their own cost (e.g. Jelly for Jelly Wrestling). Costs &/or supply for requirements such as hay bales & water for activities can be negotiated with the Surfmoot Committee
- All parties must be prepared to comply with the relevant health, hygiene and safety regulations (including obtaining certificates, training, and maintaining professional conduct). All relevant certificates must be presented to the committee within two months of the awarding of the activity.
- If the activity is a fundraiser, the group must provide a compulsory and non redeemable contribution of \$65 for program advertisement (½ page). This applies for each activity awarded.
- The committee reserves the right to contact the party at any time, to request further information, or cancel the activity if they feel the activity or Rover behaviour on the weekend, does not maintain the main ideals of 'Rovering'.
- The committee reserves the right to approach an individual/crew to provide an activity should it deem any proposals to be unsatisfactory. Alternatively, the committee may choose to provide the activity themselves

By putting in an Expression of Interest to run an activity at Surfmoot you and your group agree to the above mentioned terms and conditions of this document.
